From: Peter T. Schade – Erie County Health Commissioner
CC: Erie County Board of Health
Date: October 8, 2020
Re: Week 6 COVID-19 Update for School Administrators

Please see the attached School Surveillance Dashboard outlining data pertaining to Erie County school districts. School administrators should continue to follow all public health orders. The Erie County Board of Health requests school administrators take the following preventive measures when opening schools for in-person learning:

- Require the use of face masks for all students and staff, except where exemptions apply.
- Practice appropriate handwashing.
- Clean and sanitize frequently touched surfaces regularly.
- Enforce social distancing of at least six feet.
- Monitor the health of all students and staff, and immediately exclude those with symptoms of COVID-19.

The Erie County Board of Health will continue to issue a Weekly COVID Report every Thursday. For the most up-to-date local data, visit [CovidErieOhio.com](https://www.eriecohealthohio.com).
